- * After two years from the date on which a person becomes a Covered Person under this policy, no misstatements, made by the applicant in the application for coverage of such person shall be used to void the policy or deny a claim for loss incurred commencing after the expiration of such two year period.
- * After two years from the date of issue of this policy, only fraudulent misstatements made by the applicant may be used to void the policy or deny a claim that commences after the expiration of the two-year period.
- * No claim for loss incurred or disability commencing, with respect to any Covered Person, after three years from the date such person becomes covered under this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of such person.

Grace Period. A grace period of thirty-one days will be granted for the payment of each premium falling due after the first premium, during which grace period this policy shall continue in force.

Reinstatement. If any renewal premium is not paid within the time granted the Insured for payment, a subsequent acceptance of premium by the Company or by any agent duly authorized by the Company to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate this policy; provided, however, that if the Company or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, this policy will be reinstated upon approval of such application by the Company, or lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the Company has previously notified the Insured in writing of its disapproval of such application. The reinstatement policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the Insured and the Company shall have the same rights thereunder as they had under this policy

immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement.

Notice of Claim. Written notice of claim must be given to the Company within thirty days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Insured of the Company at its Home Office in Baton Rouge, LA, or to any authorized agent of the Company, with information sufficient to identify the Insured, shall be deemed notice to the Company.

Claim Forms. The Company, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in this policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which the claim is made.

Proof of Loss. Written proof of loss must be furnished to the Company at its said office in case of claim for loss for which this policy provides any payment within ninety days after termination of the period for which the Company is liable. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Time Payment of Claims. All benefits payable under this Policy, other than benefits for loss of time, will be payable immediately upon receipt of due written proof of such loss. If We fail to pay benefits payable under this Policy, other than benefits payable for loss of time, upon receipt of due written proof of loss, We shall have fifteen working days thereafter within which to mail You a letter of notice. Such letter will state the reasons we may have for failing to pay the claim, either in whole or in part and give You a written itemization of any documents or other information needed to process the claim or any portions thereof which are not being paid.

When all of the listed documents or other information needed to process the claim have been received, We shall then have thirty working days within which to process the claim and either pay the claim or deny the claim in whole or in part.

We must give You the reasons We may have for denying such claim or any portions thereof.

Subject to proof of loss, all accrued benefits payable under this Policy for loss of time will be paid not later than at the expiration of each period of thirty days during the continuance of the period for which We are liable. Any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.

Payment of Claims. All indemnities payable under this policy will be paid to the Insured. Any accrued indemnities unpaid at the Insured's death will be paid to the estate of the Insured. If any indemnity of this policy shall be payable to the estate of the Insured, or to an Insured who is not competent to give valid release, the Company may pay such indemnity, up to an amount not exceeding \$1,000, to any relative by blood or connection by marriage of the Insured who is deemed by the Company to be equitably entitled thereto. Any payment made by the Company in good faith pursuant to this provision shall fully discharge the Company to the extent of such payment.

Unearned Premiums. In the event of the death of a Covered Person while insured under this Policy, We will pay any premiums received by US for coverage beyond the end of the Policy Month in which the Covered Person's death occurs. Such payment will be made within 30 days after We receive proof of the Covered Person's death. Policy Months begin and end on the day of the month which is shown as part of the Policy Date on the Policy Specifications Page.

Physical Examinations. The Company at its own expense shall have the right and opportunity to examine the person or any Covered Person when and as often as it may reasonably require during the pendency of a claim hereunder.

Conformity with State and Federal Statutes: Any provisions of this policy that on its effective date is in conflict with the statutes of the state in which it was issue or with any federal statutes is hereby amended to conform to the minimum requirements of such statutes.

Misstatement of Age or Sex: If the age and sex of any Covered Person has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age and sex.

Other Insurance with Starmount --- You may qualify under one like policy from Starmount, only. If you are insured under more than one like policy, we will consider you to be insured under the policy which provides the greatest amount of coverage. Unless specifically accepted in writing by Starmount, insurance effective at one time on the insured under a like

**STARMOUNT LIFE INSURANCE COMPANY
ACTUARIAL MEMORANDUM**

POLICY FORM #06-003

1. **Scope and Purpose:** This is an updated filing of a prior policy. The current filing automatically incorporates a benefit that was previously provided by a rider. This actuarial demonstration has been prepared to accompany the filing of the above policy form with the state in which it is filed and is not intended for any other purpose.
2. **Description of Benefits:** This policy provides in patient daily hospital benefits:
 - a. The lifetime maximum number of days of hospital benefits is [365].
 - b. Benefits will be paid following an elimination period of [0, 1] day(s).
 - c. Double benefits for intensive care confinement with a lifetime maximum number of days of benefit of [0, 30].
 - d. Home recovery benefits equal to 50% of the daily hospital benefit (other than intensive care) paid.
 - e. All benefits reduce by 50% beginning at age 65.
 - f. Maternity covered as any other hospitalization but may be for a limited number of days [0, 1, or 2].
 - g. The policy will be sold in units of \$10 of daily benefit.
 - h. Conditions for which advice or treatment was recommended or received during 12 months prior to the effective date of the policy will not be covered until the policy has been in force for 12 months.
3. **Renewability Clause:** This form is conditionally renewable. Coverage may be terminated for all policyholders in a state. Coverage ends at age 80.

4. **Applicability:** The premiums described in this actuarial memorandum will apply to all policies and all durations. The premiums are shown in Table A

5. **Morbidity:**

a. **Daily hospital benefits:** The expected claim costs for emergency room visits were derived from a study titled "2003 National Hospital Discharge Survey," Advance Data, Number 359, July 8, 2005 published by the U.S. Department of Health and Human Services. This study provides both the hospital frequency rate and average number of days of hospitalization by attained age and sex.

b. There are expected to be 2.5 children covered whenever children are insured. This is my best guess as to the number of children to be covered.

c. Intensive care is assumed to cost an extra 10% claim cost is assumed based on estimates derived from American Hospital Association data.

d. **Maternity:** hospital claim costs in the "2003 National Hospital Discharge Survey" were available both with and without maternity costs. The only claim costs affected are for females under age 45. The rate of maternity was developed from this data. A 50% anti-selection factor was assumed for this benefit. Based on this data the claim costs per \$10 of daily hospital benefit were increased by \$1.20 per year for maternity benefits assuming that 60% of adult insureds below age 45 will be females.

e. **Elimination period:** the hospital data costs in the "2003 National Hospital Discharge Survey" covered both frequency and severity of hospitalization. Based on this data, it was determined that claim costs for a 1 day elimination benefit were around 80% of claim costs without any elimination period.

f. **Pre-existing:** claim costs were adjusted by the following factors for each of the three pre-existing condition options:

Policy Year	24/24 Pre-ex	12/12 Pre-ex	0/0 Pre-ex
1	.55	.80	1.20
2	.85	.90	1.30
3 & over	1.30	1.30	1.30

These factors are intended to recognize the impact of the different pre-existing periods as well as recognize that there will be some ultimate anti-selection by renewing insureds.

6. **Mortality:** The pricing assumptions do not include an explicit mortality assumption. Terminations from death have been included in both lapse and claim termination rates.

7. Persistency: The expected lapse rates for this policy are:

Policy Year	Lapse Rate
1	35%
2	20%
3	15%
4	12%
5 & over	10%

Lapse rates were increased to 20% when an insured enters a new attained age bracket (40, 50, 60, and 70).

8. Expenses: Estimated expenses and taxes are calculated as a percentage of premiums. The product may be marketed either by direct response or agents. Expenses are approximately equivalent regardless of product distribution method.

PROJECTED PERCENTAGE OF PREMIUM EXPENSES

ITEM	Direct Response Year 1	Direct Response Years 2+	Agency Year 1	Agency Years 2+
Administration	9.00%	9.00%	9.00%	9.00%
Marketing	100.00%	3.00%	0.00%	0.00%
Overhead and claim settlement	2.00%	2.00%	2.00%	2.00%
Premium taxes and fees	2.50%	2.50%	2.50%	2.50%
Commissions and agency management	0.00%	0.00%	40.00%	19.00%
	-----	-----	-----	-----
Total expenses	113.50%	16.50%	53.50%	32.50%

9. Marketing Method: This policy will be marketed using direct response (mainly direct mail) or through agents.

10. Underwriting: The coverage will be minimally underwritten.

11. Premium classes: None

12. Issue age range: Coverage may be limited to adult issue ages 18 or 74.

13. Area Factors: There are no area factors.

14. Average annual premiums:

- a. The average annual premium per policy is expected to be under \$200.
- b. The policy may be issued with a \$1 premium for the first month. If so, this will very slightly reduce the average annual premium and increase the loss ratio shown in this actuarial memorandum.

15. Premium annualization rules:

Mode	Factor
Monthly direct	1.00*
Monthly check	1.00
Quarterly	3.00
Semiannually	6.00
Annually	11.40

* Plus \$1 per month billing charge

16. Claim Liability and Reserve: As of 9/30/09 Starmount's claim reserve for the current plan is \$2,400. The small amount of claim reserve reflects that very little business has been issued to date in other states and that there is no credible claim experience. In the future claim reserve will be based on appropriate company experience.

17. Active life reserves: Because the premiums increase by attained age and benefits decrease by 50% at age 65 and the policy is conditionally renewable, no active life reserves (other than gross unearned premiums) are expected to be required.

18. Trend assumptions: Because benefits are fixed, no inflation assumption has been built into the expected claim costs.

19. Anticipated loss ratio: The anticipated lifetime loss ratio for new policies is at least 55%. Since there are many possible combinations of benefits, there may be slight variations in loss ratios for different plan combinations (e.g., elimination period, maternity, pre-existing period, etc.) If the first month premium is \$1, the loss ratio will slightly higher than 55%.

20. Distribution of business: The projected distribution is as follows:

Issue Age	%
35	5.00%
45	10.00%
55	35.00%
65	35.00%
75	15.00%
<hr/>	
TOTAL	100.00%

21. Contingency and risk margin: 7 1/2% to 8 1/2% of premiums

22. Proposed effective date: March 1, 2010

23. Actuarial certification:

Based on the analysis presented in this Actuarial Demonstration, I hereby certify that in my opinion the premiums for this plan are reasonable relative to the benefits provided by the plan. In addition, it is my opinion that the premiums are not excessive, inadequate, nor unfairly discriminatory.

Renewable. You may renew your Policy, during the Primary Insured's lifetime, until the first month after the Primary Insured's 80th birthday, by the payment of premiums when due.

If Your Spouse is a Covered Person, the Spouse's coverage will cease at the end of the first month following the Spouse's 80th birthday, or upon the final decree of divorce, whichever first happens.

If Your Child is a Covered Person, the child's coverage will cease on the first billing date after the date the Child ceases to be eligible.

Termination of the policy by us shall be without prejudice to any continuous loss which commenced while the policy was in force.

Your spouse, if a Covered Person, shall become the Insured upon your death. In the event of the death of a Covered Person, any premium paid to us on behalf of the deceased for a period subsequent to the date of such death will be refunded on a pro rata basis.

Upon the termination of coverage of a Covered Person, the premium of this policy will be reduced to the appropriate premium for the remaining Covered Persons.

Conversion Privilege. A Spouse covered under this Policy may be issued his own Policy if his coverage is terminated under this Policy because of his divorce from the Primary Insured or upon the Primary Insured reaching age 80. Such Spouse must apply for coverage and pay the first premium within 60 days after the date of termination under this Policy. No evidence of insurability is needed. The provision entitled "Time Limit on Certain Defenses" will be interpreted as if the new Policy took effect when he was insured under this Policy.

SECTION VIII

SECTION IX

GENERAL PROVISIONS

Entire Contract: Changes. This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

Time Limit on Certain Defenses.

- * After two years from the date on which a person becomes a Covered Person under this policy, no misstatements, made by the applicant in the application for coverage of such person shall be used to void the policy or deny a claim for loss incurred commencing after the expiration of such two year period.
- * After two years from the date of issue of this policy, only fraudulent misstatements made by the applicant may be used to void the policy or deny a claim that commences after the expiration of the two-year period.
- * No claim for loss incurred or disability commencing, with respect to any Covered Person, after three years from the date such person becomes covered under this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of such person.

Grace Period. A grace period of thirty-one days will be granted for the payment of each premium falling due after the first premium, during which grace period this policy shall continue in force.

Reinstatement. If any renewal premium is not paid within the time granted the Insured for payment, a subsequent acceptance of premium by the Company or by any agent duly authorized by the Company to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate this policy; provided, however, that if the Company or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, this policy will be reinstated upon approval of such application by the Company, or lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the Company has previously notified the Insured in writing of its disapproval of such application. The reinstatement policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the Insured and the Company shall have the same rights thereunder as they had under this policy

immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement.

Notice of Claim. Written notice of claim must be given to the Company within thirty days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Insured of the Company at its Home Office in Baton Rouge, LA, or to any authorized agent of the Company, with information sufficient to identify the Insured, shall be deemed notice to the Company.

Claim Forms. The Company, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in this policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which the claim is made.

Proof of Loss. Written proof of loss must be furnished to the Company at its said office in case of claim for loss for which this policy provides any payment within ninety days after termination of the period for which the Company is liable. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Time Payment of Claims. All benefits payable under this Policy, other than benefits for loss of time, will be payable immediately upon receipt of due written proof of such loss. If We fail to pay benefits payable under this Policy, other than benefits payable for loss of time, upon receipt of due written proof of loss, We shall have fifteen working days thereafter within which to mail You a letter of notice. Such letter will state the reasons we may have for failing to pay the claim, either in whole or in part and give You a written itemization of any documents or other information needed to process the claim or any portions thereof which are not being paid.

When all of the listed documents or other information needed to process the claim have been received, We shall then have thirty working days within which to process the claim and either pay the claim or deny the claim in whole or in part.

We must give You the reasons We may have for denying such claim or any portions thereof.

Subject to proof of loss, all accrued benefits payable under this Policy for loss of time will be paid not later than at the expiration of each period of thirty days during the continuance of the period for which We are liable. Any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.

Payment of Claims. All indemnities payable under this policy will be paid to the Insured. Any accrued indemnities unpaid at the Insured's death will be paid to the estate of the Insured. If any indemnity of this policy shall be payable to the estate of the Insured, or to an Insured who is not competent to give valid release, the Company may pay such indemnity, up to an amount not exceeding \$1,000, to any relative by blood or connection by marriage of the Insured who is deemed by the Company to be equitably entitled thereto. Any payment made by the Company in good faith pursuant to this provision shall fully discharge the Company to the extent of such payment.

Unearned Premiums. In the event of the death of a Covered Person while insured under this Policy, We will pay any premiums received by US for coverage beyond the end of the Policy Month in which the Covered Person's death occurs. Such payment will be made within 30 days after We receive proof of the Covered Person's death. Policy Months begin and end on the day of the month which is shown as part of the Policy Date on the Policy Specifications Page.

Physical Examinations. The Company at its own expense shall have the right and opportunity to examine the person or any Covered Person when and as often as it may reasonably require during the pendency of a claim hereunder.
